An architectural rendering of a modern building's courtyard. The scene is dominated by a multi-story building with a light-colored facade and balconies. A prominent feature is a wall made of dark red bricks, which is partially covered by lush green plants and trees. A pergola structure with a dark, slatted roof extends over a paved walkway. The walkway is composed of light-colored tiles with a grid pattern. In the background, a group of four people is walking. The sky is a clear, bright blue with a few wispy clouds.
