# EXPERIENCE THE EXCELLENCE

The road to building better tomorrows begins with innovating today. And it is this zeal to make a difference that has driven **EXCELLAA** to conceive and execute real estate developments designed to fulfill rising lifestyle aspirations while creating value-plus assets that promise to grow in appreciation.

The **Kallyaanee Fortune Group's** journey began 25 years ago with presence in textiles, diamonds, engineering and contracting sectors. Armed with little more than a desire to build a brand that would be respected for its excellence, the company ventured into the crowded real estate world as The Kallyaanee Fortune Properties to make a mark. Headquartered in Mumbai & Pune, **The Kallyaanee Fortune Group** is a merger of Kallyaanee Construction and Fortune Properties. Realizing that the greatest demand for housing came from the very segment that could barely afford it: the middle-class, **The Kallyaanee Fortune Group's** venture **EXCELLAA** set out to build a business that would design and construct homes that didn't just fit all pockets but also raised their living experiences to new levels of delight.

Over the last two decades, the Group has successfully developed over 12 lakh sq. ft. of budget-friendly, amenity-rich, and luxury residential spaces across the nation. Known for their superior service, outstanding quality of construction and proven trust of timely delivery, the Group has an extensive portfolio that includes some landmark projects throughout the nation. By offering affordable luxury homes to thousands of families, they have built a legacy of happiness and exceeded the expectations of every customer. The Group creates value for its clients and partners through the development of quality environments with a vision to maximize returns from investment for its customers.

Poised to acquire and develop the most promising properties, the Group focuses on creating long-term wealth for its clients and partners through building a successful portfolio of assets. Honouring the values of integrity and transparency, they always strive to build a lifelong relationship with every customer. As they move towards a greener and brighter future ahead, the Group envisions building on a global result-oriented strategic approach and adapting it to suit local market needs. Today, **EXCELLAA** has earned its reputation as one of the leading real estate companies, run by some of the most experienced and visionary leaders in the industry. Empowered by a dynamic mix of young ideas and veteran leadership, we are able to deliver innovative solutions and comfortable living experiences in all our projects.
