# Why at Moshi?

Moshi is one of the fastest developing place in the Pimpri Chinchwad. People from all over the country desire and search for the residing place and their search comes to an end in Moshi, As it's the best place for residential purpose. Several projects same as international technology have been raised here.

International business center, Safari park, a big highway named Bhavya Pandharpur palkhi Marg, well-developed road, electricity and water supply. Though it's a developing place it doesn't affect the beauty of nature and it's pollution-free. The silver group has started its commercial projects in such a beautiful place.
