

BangaaruThalli

At BBG, we wake up with the only thought to make a difference, one that moulds a brighter future for the girl child. Every day we live and breathe with this dream, a vision to leave indelible impressions on the lives of 2 million girls by 2040.

For us, every girl child is a Bangaaru Thalli with the potential to usher in a brighter future for herself and her family, constraining her to the boundaries of the home is the same as caging a bird that has the potential to soar the skies. We believe when given the opportunity, made not only their families, but their communities, neighbourhoods, and the nation - proud.

TOWARDS SAFE & SECURE FUTURE

BBG is an award-winning, plotted land development firm and one of the fastest growing real estate companies. With over a decade and half in operations, BBG today has over one lakh customers and has successfully completed over 200 plotted land development projects across Shadnagar, Sadashivpet, Yadadri, Visakhapatnam, Srikakulam, Vizianagaram, Vijayawada, Rajahmundry, Tirupati and other prominent locations in the states of Telangana and Andhra Pradesh.

A firm believer in the ideals of the Father of the Nation, Mahatma Gandhi, who believed that that businesses should exist as part of a healthy community in order to serve that community, BBG provides its customers an ideal opportunity to make safe and secure long-term savings by owning a piece of land and thereby create, true, long-term wealth for their families.

Apart from helping create "True Wealth" for its customers, BBG has an unwavering commitment to enable and empower the "girl child." Enshrining the ideals of Mahatma Gandhi, who visualized a fundamental role for women as instruments of social change, BBG is enabling and empowering over 40,000 girls in over 100 primary schools across Telangana and Andhra Pradesh.

Our sole purpose of existence, by 2040, is to empower 2 million Girl Children (Bangaru Talli). We intend doing it by either making them plot owners for the ones who can afford to buy or supporting primary education, by apportioning a part of our profits, for the ones who cannot afford to buy. Our intent is to inculcate in them the desire to play a leading role in their families, society and nation building.

A LEGACY OF 15 GLORIOUS YEARS

Fifteen years ago, a dream took shape, one that drove us towards a larger purpose. What began as a humble beginning soon progressed into something more meaningful. In fifteen years, our dream became a living vision, with every move, every action, directed towards one thing - the empowerment of the girl child. While we were wholeheartedly working towards our vision, we received several accolades along the way. We credit our success to our employees, associates, and customers, for believing in us and supporting us through this journey.
