THE ICONIC LEGACY OF ISCON GROUP

Iscon Group, Gujarat's most Trusted Real Estate Developer is renowned for its diverse repertoire of architectural expertise, its inherent streak of innovation, superior quality, time-conscious planning & execution of projects and highly evolved skill in property management.

Over the years, Iscon has successfully completed over 40 projects spread across 1.5 crore square feet of Residential, Corporate, Commercial & Retail space in Gujarat. (Ahmedabad, Vadodara, Surat, Rajkot, Bhavnagar, Anand & Deesa)

The Group is driven by highly experienced leadership with the intensive market knowledge and a strong network of associated industry experts. We take immense pride in the trust placed by over 50000 happy customers. Our commitment to Quality, Value & Integrity is the underlying foundation upon which Iscon was built, and these three fundamental principles still guide us in caring for our customers & associates.

DISCLAIMER

The brochure is for the easy presentation of the project. It should not be considered as a part of the legal documents. For further information regarding the project, the member/customer is requested to check the details on the RERA website or the developer's office before going ahead with the booking.

The Promoter/Developer reserves the right to make changes in the project, its amenities and specifications as may be suggested by the project architect or the structure consultant and any such changes made shall be binding on the customers/members of the project.

The Promoter/Developer reserves the right to make minor onsite changes during the course of construction and such changes shall be binding on all the members/customers of the project.

The dimensions shown in the brochure are approximate and calculated from unfinished surfaces and are rounded off to the nearest whole number.

The images (interior and exterior views) in the brochure are computer-stimulated graphics for representational purposes and are subject to errors and omissions. The images used may be stock images or images based on the architectural plans of the project. They shall not be construed as actual depictions of the project.

The north direction shown in the brochure is approximate and can be erroneous. The member/customer is expected to verify the same personally before going ahead with the booking.

The key plan in the brochure is not to scale and does not depict the exact location of the project or the connecting road network or other abutting structures or landmarks. It is only for representation purposes and gives a rough idea about the project. The member/customer is requested to visit the project site and check the physical location of the project and its surroundings before going ahead with the booking.
