DESIGN ATTRIBUTES OF ELITE BROOKVALE

A home in the bosom of nature with all conceivable amenities would be a truly luxurious abode. and we chose an ideal location that would reflect our view. as we consolidated the idea for Brookvale - a property where no trees would be cut down to make way for the homes, but be transplanted within the premises. the homes are crafted to complement the beauty of the often exteriors. every home has been designed to offer views of the in-campus woods. couple them with walkways through the landscaped exteriors and many outdoor amenities have been expertly tuned to blend with the different levels and slopes of the landscape.

Elite Brookvale is located in Uttarahalli - Kengeri Main Road Adjacent to BGS Global Hospital's, a quint essential part of old-Bangalore and is one of the premium neighbourhoods of the city. The Mysore Road Metro Station takes you to all corners of the city without hassle and the world-class NICE expressway, Plus the proximity of the project to several renowned educational institutes, Global It Tech Park, and shopping centres like Gopalan Arcade Mall, National Hill View Public School, DPS, BGS, RNS International, Rashtrorathana Vidya Kendra makes it the perfect place to call it home.
