The Hrt of Royal Living...

The *G*rt of Royal Living...

Welcome, to your new signature of pride, which stands tall to let your spirit touch the sky.

JAI VILAS, a name true to its meaning is for the victors in life. People, who have achieved and who deserve a life rich in class and luxury to further evolve their lifestyles!

JAI VILLAS introduces the concept of 'royal living' and elevated existence in the form of Sky Villas architecturally planned in the apartment living style giving you the privacy, space, ownership and luxury of dream house and the proximity of a secure and close knit social group like an apartment. It's a unique architectural innovation that ushers in the elegance of authentic royal living at Jai Vilas.

What's more, JAI VILAS truly is your castle in the sky.

Coming up on main Sikar Road, JAI VILAS happens to be the 'tallest' and the most astonishingly marvelous structured that would highlight the vicinity. Imagine your stature and social influence when you would be associated to the tallest and the grandest building in the neighborhood.

It is pure heavenly luxury that awaits you at Jai Vilas.

Come, make the most of what life has in offer for you with your own luxurious abode here.

Mezzanine level gardens with aesthetically enhanced elements giving you an elevated sense of reprise and relaxation.

The spirit of easy lounging and carefree conversations under the sun gets even more interesting with specially and comfortably placed seating arrangements all across the mezzanine gardens.

Amazingly pleasant landscaped gardens with outdoor sports facilities like tennis and badminton for an invigorating past-time.

Located on the main 100ft road in Sun City, Jai Vilas is the most prominent landmark on the Sikar road. Merely 300 meters from NH-11 and just 7 minutes drive away from Vidyadhar Nagar area, Jai Vilas is located in one of the fastest upcoming posh localities of Jaipur that still has to offer a life away from the hustle and the chaos as compared to the over populated areas.

Jai Vilas offers you a life enriched with peace in perfect harmony with nature. Here you will see ample greenery around. Your heart would warm itself with the fresh breeze every morning. Your jogs would be filled with pleasant views and your neighborhood would have all the amenities that a life filled with class desires.
