

3BHK | 4BHK PENTHOUSE + TERRACE

Your mornings would start with the song of a bird, and the soft whistles of the trees in the garden in your own building. Surrounded by ardent beauty, this is the ideal spot to relax and catch up on your reading, or for a little time 'alone' simply enjoying the tranquillity of the garden, or even a private tea-time with your loved ones. All on your very own roof garden. From here, you'll enjoy the exhilaration and vibrancy of a chic, urban lifestyle together with all the advantages of owning a home in **Ganesh Skyline**.

And when you see that skyline, not just as a representation of steel and concrete and glass, but as really the substance of the **Living Dream**.
