PHASE I - WING A

There was a time,
not too long ago...

There was an easy pace and fresh feel to life.

People lived in well-lit, spacious abodes.
Doors opened to picture perfect gardens alive
with colour and fragrance. Butterflies chased
one another and fireflies danced in the dark.

There was a backyard for lazy family afternoons
and informal dinners. Occasionally one would catch
a refreshing afternoon nap.

Gini Aria recreates all those moments
and presents you a home,
where the summer breeze entangles the curls of your hair,
sunbeams falling through twigs stroke your skin with care.

The time is now,
Don't let it pass...

At Gini Aria, time flows as the tree called 'life', blossoms...
The leaves of memories that fade with the past are always replenished by the new petals...

In harmony with **NATURE**,
yet close to **CITY!**

Set in scenic and spectacular surroundings, Gini Aria is all about a lifestyle with a richer sense of luxury. A welcoming environment that leaves the stress of the city far behind and a sanctuary away from the hustle and bustle; Gini Aria will be the next generation of integrated community living.

A harmonious blend of lifestyle options; from comfortable 1 BHK to opulent 2 BHK apartments situated in elegantly landscaped greens.
