WINDSOR PARK

VANAGARAM, CHENNAI

APARTMENTS TAILORED TO YOUR HIGHEST STANDARD

Irfan Razack
Chairman & Managing Director,
Prestige Group

Greetings!

Hope you are all safe and keeping well.

It gives me great pleasure to announce that we are back in your city with our latest offering – Prestige Windsor Park. Chennai is very close to my heart. Way back in 1990, it was the first city Prestige expanded to beyond Bengaluru. We have created several landmark developments since, including Prestige Bella Vista – Chennai’s first and largest township development in 2012, and Prestige Silver Springs, one of Chennai’s most luxurious residential properties till date. Each of our developments in Chennai is an ode to the rich cultural heritage of this iconic city.

Prestige Windsor Park is our fifth residential development in Chennai. Located on the Poonamallee High Road at Vanagaram, this collective of immaculately designed residences is in close proximity to every essential service, including the airport and railway station.

Creating a space that would foster community living and promote the overall well-being of the residents was our utmost priority while planning this property. As with all our properties, we have embraced

the ancient guiding principles of Vaastu, allowing an abundance of light and fresh air to flow through your home. Prestige Windsor Park also comes complete with beautiful landscaped spaces and a fully loaded Clubhouse – both signature features of the Prestige Group.

The last three decades of our architectural journey have led to elegant homes in Bengaluru, Hyderabad, Goa, Kochi, Mangaluru, Mumbai and of course, Chennai. We have relied on our expertise to create homes that are the perfect combination of well-executed design, world-class quality and great location. However, I truly believe that what ultimately makes a house a home for our patrons is the quality of life we offer in every Prestige community.

As India's first and only developer rated DA1 by CRISIL, Prestige doesn't make any promises that we can't keep. We promise and deliver the highest standards in design, material, finish and construction – delivered on schedule, with clear and marketable titles.

Our sales team will be happy to help you with more details. Alternatively, you can also visit our website: www.prestigeconstructions.com.

With deep gratitude for the love that Chennai has always showered on the Prestige Group, we look forward to begin the next chapter with Prestige Windsor Park.

Stay healthy, stay safe!

A home built to the highest standards with exactly your needs in mind. That is the most apt description for Prestige Windsor Park, an enclave of 637 residential condominiums coming up on 5.77 acres on the Poonamallee High Road at Vanagaram in Chennai, a joint venture between Prestige Group, NuTech Associates and Late MS Sammandappa & Family.

The location, for one, couldn't be better, as it is within immediate reach of the best of everything you need - schools, colleges, hospitals, restaurants, supermarkets, banks and more. The airport, and the Metro rail station are easily accessible as well through arterial roads.

For another, your home at Prestige Windsor Park is designed to be compliant with the stipulations of Vaastu. You will enjoy an abundance of natural light and ventilation, which is aided by the strategic juxtaposition of the apartment blocks to facilitate the free flow of air and light from all directions.

In Prestige's signature style, you will enjoy the undiluted pleasure of expansive landscaped open spaces, making it an ideal locale for you to meet and mingle with your fellow residents, while giving you the benefit of being close to nature.

Finally, Prestige Windsor Park's lavish clubhouse puts at your command a plethora of lifestyle amenities to keep your leisure moments productively and entertainingly occupied.

To put it simply, this is where your search for the perfect home ends and your new life in a wonderful new dwelling begins. Turn the page and discover just how.
