115-Acres: A Landscape Of Joy

With 115-acres of land, Runwal Gardens is truly an integrated township. Within its premises, there is a shopping mall, offices, high-street retail, and a multi-specialty medical centre. It is built to fulfil all your basic as well as lifestyle needs. Everything you need is right here. Amidst the lush green grass, over 1800 trees and 14+ gardens, the property is truly an evergreen space of joy. The apartments face the garden and offer beautiful views of nature.

Located in a magical setting, Runwal Gardens is aptly named.

MMR's Best Connected Township

Located right on Kalyan-Shil Road, this 115-acre township brings everything you need right to your doorstep. With the Airoli-Katai tunnel road connecting Kalyan-Shil Road, which further links to Central Mumbai, your travel time will be reduced by over 45 minutes. Not only this, but Runwal Gardens will also boast of a rapid metro transport system and a Multimodal Corridor in the neighbourhood.

Kalyan - Shil Road (0.0 Km)

The current arterial lifeline of this locality is getting wider through a 50 meter road and with a new flyover which connects to Airoli - Katai Tunnel and MMC.

Airoli - Katai Tunnel Road (1.5 Kms)

The proposed tunnel will directly connect Airoli and other Central Suburbs, bypassing Shilphata, Mahape and Mumbai roads.

Multimodal Corridor [MMC] (0.0 Km)

The 126 Kms long corridor planned from Virar to Alibaug will run adjacent to Runwal Gardens. It will consist of wide roads, rail lines and change the definition of faster travel.

Vasai - Panvel Rail Expansion (2.2 Kms)

The proposed 70 Kms railway line will enhance connectivity to Panvel and Vasai.

Kalyan - Taloja Metro Line (0.2 Km)

The proposed 20.75 Kms metro line will cut down the travel time by 75%, reducing road congestion and the dependency on local trains. The proposed Diva - Manpada station will be a pleasant 5 minute walk from Runwal Gardens.

Mankoli - Mothagaon Bridge (7.0 Kms)

The six lane 980 meter long bridge will be built over the Ulhas River. It will connect Thane to Dombivli as well as circumvent Airoli and Mahape from the other side, reducing the travel time to just 15 minutes.

Ahmedabad - Mumbai Bullet Train (3.9 Kms)

Located near Runwal Gardens, this proposed 506-kilometer corridor will provide easy access to major hubs in Maharashtra & Gujarat.

BUROHAPPOLD ENGINEERING

Burohappold has utilised its international expertise and global experience to bring in the best global practice for Runwal gardens. The water, power and urban transport problem in suburban Mumbai has been studied in depth for understanding the root cause and a sustainable, resilient engineering solution has been achieved. A state of the art security system with complete site wide coverage integrated with a stable communication network only adds to the success of this mega project." Infra consultant, Burohappold Engineering

Runwal Gardens is a unique project. It is one of the few projects where the residents can be close to nature while living in a city. A large park centrally located within the project with playgrounds, themed play areas, jogging and cycling tracks, botanical gardens, nested recreational areas and more than a thousand trees provides the residents with an opportunity to engage with nature on a day-to-day basis. Landscape consultant, PS Designs

To give highrise living experience to the occupant with assured structural safety and durability. Robust structural configuration to ensure comfort of living during adverse natural conditions. State-of-the-art Engineering has been put in to practice.

Judicious placement of structural members shall give flexibility of Internal planning to the end-user. Quality construction and use of latest technology ensures low maintenance of cost of structure." Structural consultant, EPICONS Consultants Pvt. Ltd.

MEP consultants, MEP Consulting Engineers.
