Wave City - A first of its kind project that truly personifies the concept of creating a city that thinks for you. Spread over an impressive landscape adjacent to National Highway 24, Wave City is one of India's largest Hi-Tech City based on "Hi-Tech City Concept". Undertaken and promoted by "Uppal Chadha Hi-Tech Developers Pvt. Ltd.", the project focuses on creating an entirely new way of living with contemporary infrastructure and facilities. The city promises to offer a nurturing environment to its residents and is being developed to provide an entirely new living experience that will be unparalleled.

This mixed-use destination focuses on quality construction, keeping in mind the contemporary design and new-age architecture. With the luxury of green open spaces and modern infrastructure designs, the city ensures a pampered, secure and luxurious lifestyle to its inhabitants.
