# The ATS Story

See the real picture. All the photographs used in this brochure have been shot at actual ATS properties. No artists' impressions have been used anywhere.

**12** years ago, ATS started operations in Noida. It was a different kind of company and it brought in completely new levels of professionalism, transparency, execution and passion for quality. And the project it created was nothing short of a landmark.

That first project was ATS Greens I. It quickly became the most sought after address in Noida and went on to set the benchmark for real estate development in Delhi NCR.

ATS is now one of the most trusted and highly regarded developers in the region, and the success of ATS Greens I has been surpassed by ATS Greens II, ATS Village,

ATS Advantage, ATS Greens Paradiso, ATS Golf Meadows Prelude and others in Noida, Greater Noida, Dera Bassi and Indirapuram.

The hallmarks of every ATS project are superb construction, superior design, well-planned and thought-out spaces, all of which result in the very special living experience enjoyed by the residents of all ATS properties.

In fact, the pride that ATS residents have in their homes and in their lifestyle is quite extraordinary. And today, when ATS One Hamlet is ready for launch, the story of ATS is best told by those who live there.

# Serenity And Convenience | LOCATION

“I’m happy I chose to make my home here.  
The location is amazing –  
convenient but not congested, like some  
parts of Noida. I think *ATS* has  
a knack for choosing the best locations.”

Sudesh Bhagat  
C/GF-2, *ATS Greens I*, Noida

The sites for all ATS projects are carefully chosen to be close to commercial and transport hubs, and yet remain secluded from noise and congestion. In fact, because of their prime locations, ATS properties often become local landmarks and reference points. ◆

► Located on the Noida – Greater Noida Expressway, ATS Village is a prominent landmark

► ATS Greens I and II are situated just two kilometres from the Noida Golf Course

► A 5-minute drive from Pari Chowk, ATS Greens Paradiso is also within walking distance of the Taj Expressway

# A Home With A View | SITE PLANNING

“When we visit our friends in other colonies, we realise how lucky we are to be in ATS Village. This project has good planning; and that means good everyday living.”

Arite Hirsch  
2394, ATS Village, Noida

At ATS, the layout of the site receives a lot of attention. Maximisation and even distribution of the green areas, the way the towers are arranged, the provision of large community areas like the clubhouse and the swimming pool – all these are vital ingredients of the joy of living at an ATS development. ❖

# Spread Your Wings | ENVIRONMENT

**“I don’t feel I’m living in an urban apartment block. It’s like having a home in a holiday resort. The grounds are beautiful and spacious and so green, that I feel bad for people who don’t live in ATS.”**

Puneet Nagi  
471, ATS Village, Noida

A feeling of largeness and green open spaces is a distinctive element of ATS properties. There are beautifully maintained parks, flower-bordered walkways, and patches of green tucked away in unexpected places between towers. Stepping out onto dew-covered grass in an aesthetic and invigorating environment becomes a daily pleasure for ATS residents. ❖
