# PINNACLE

2 BHK Residences With Balconies

NOT JUST APARTMENTS.  
BUT HOMES WITH DECKS ATTACHED.

# FOR THE *Love* OF BALCONIES

Each and every apartment at Pinnacle comes with a deck attached.

So you can choose whether to enjoy your morning cuppa in the open area, create your own green area within the precincts of your home or just relax in the deck.

Whatever you choose to do, your home at Pinnacle would surely be the envy of your friends. After all, a balcony in a Mumbai apartment is a rare privilege indeed.

# FOR THE *Love* OF A CLASSY LIFESTYLE

Pinnacle stands true to its name in every way. Just one look is enough to fall in love with the imaginatively designed apartments that exude a rich feel and appeal. The spacious interiors, exquisite fit and finish, branded fittings and flooring, abundant flow of air and sunlight and of course a great vibe make you feel at home already. While on the other hand the grand façade promises you a lifestyle full of privileges reserved for a few.

# FOR THE *Love* OF A GREAT LOCATION

Pinnacle enjoys a great location advantage. Tucked away in Sindhi Society, which is one of Chembur's most sought after residential addresses, it brings a world of pleasures and conveniences to your doorstep. While fine restaurants, coffee shops, supermarkets, schools, colleges, hospitals, markets etc. are close by, business hubs like BKC are very easily accessible. In a nutshell, Pinnacle puts you at the centre of all and everything that makes daily living an absolute.

# FOR THE *Love* OF PEACEFUL LIVING

With the city getting more and noisier and distracting, a peaceful location is getting more and more elusive. But Pinnacle is greatly an exception as it's located in Sindhi Society which enjoys a tidy and peaceful atmosphere. The tranquil lanes allow you the space for a leisurely amble and the green spaces around are at a walking distance. This makes it an address for those who love their own space and like to live at their own pace.

# FOR THE *Love* A LIFE WELL CONNECTED

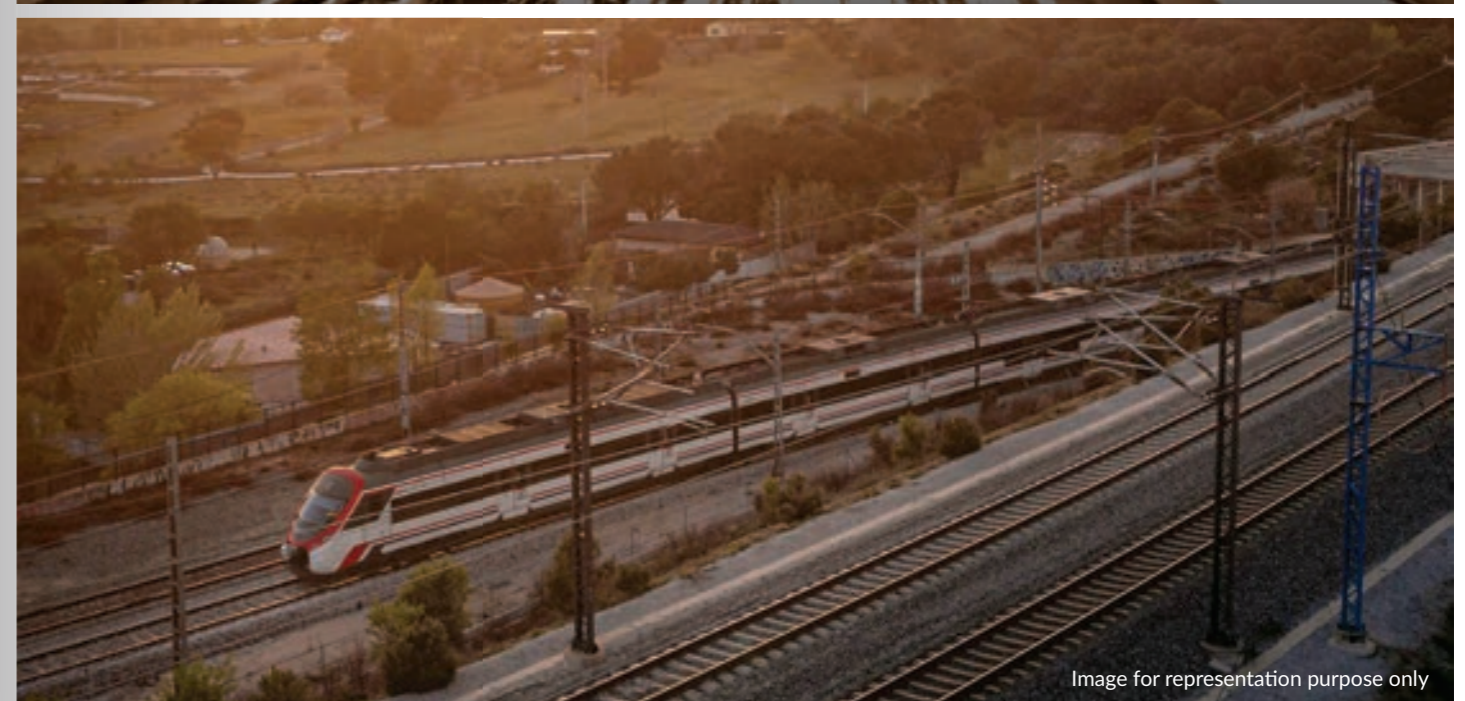

How well you live largely depends on how well you are connected to the key hubs of the city. And when it comes to connectivity, Pinnacle literally takes the top spot. While it stands just off the Sion – Panvel highway, the freeway is just a 10 minute drive away. It's a stone's throw away from the Mumbai Monorail and just 10 minutes away from Chembur and Kurla Railway Stations. The options are unlimited and connectivity is too good to be true - irrespective of where you want to move.
