

Your time is precious, save it for your family

KUBER
Samruddhi

Just 1500 meters from Dombivli Railway Station

We need time to spend with our families. We need time to attend a hobby class. We need time to read some good books. we need time to listen to our favourite music.

Time is what we always want more than anything. But today's fast and demanding lifestyle sparely leaves us with some.

There is an idea!

What if we cut our time of travel? Save our precious moments lost in auto rikshaw ques, wasted in tiresome traffic, drawn in seemingly endless long journeys. What if we can just walk to our home in less than 20 minutes. Or a drive of 5 minutes?

Walk to a home that is just nestled in divine beauty of nature as well as with all modern amenities and your daily needs just a stone's throw away. Your home in a city where life is at it's fullest and people with spontaneous enthusiasm. A city where celebration is way of life. Your home in Dombivli.

WALK TO YOUR HOME

Now you can save your precious time from travel for your family and friends!

Strategically Located at walking distance of just 1.5 k.m. from Dombivli railway station, Kuber Samruddhi is positioned at just opposite to proposed ring route that will connect to Thane, Kalyan, Thakurli and Mumbai-Nashik highway.
