Your Puneville family awaits

An ultra-premium project that brings you closer to your
neighbours and family, in the lap of luxury

COMMUNITY LIVING AT ITS FINEST

What goes into the making of a community? A community is a place for like-minded people to thrive and prosper together. A community is where children can roam and play freely without their parents having to worry about their safety. A community is where friends and relatives get together in the evening, enjoy the well-planned recreational zones and the relaxing green spaces.

Puneville by Pharande Spaces has been designed not just as a township, but as a tribute to community living and togetherness.

With 60% open spaces, Puneville offers a green living experience like no other. Designed by Aedas, one of the world's leading architectural firms, Puneville is crafted to provide the right work-life balance with thoughtfully planned amenities for everyone.

So, go on a leisurely stroll amongst the community and you will find compatible neighbours that resonate with your ethos and enjoy your company.

Puneville is a top-of-the line residential project comprising of 16 towers, each with 22 storeys of uniquely crafted living spaces. Soaring over 75 meters into the sky, Puneville ensures that more than 60% of the plots have open spaces for residents to enjoy the charms of nature.

Its unique walkway circumnavigates the residential towers at the second level, bringing families closer. Bridges also lead from this walkway to the central green area above the club and the central children's play zone to ensure the safety of your loved ones from any vehicular traffic in Puneville.

The township also offers many other luxury features, including separate Olympic-sized, lagoon-shaped swimming pools for every cluster of buildings, landscaped gardens, tennis courts, jogging tracks and much more.

Stay connected Stay happy

Situated just 5 minutes off the Pune-Mumbai
Expressway Bypass, Puneville keeps you close to all the things that you love.

LIVE IN THE HEART OF DEVELOPMENT

Puneville is just 5 minutes off the Pune-Mumbai Expressway Bypass at Punawale, near Hinjawadi. It has easy access to Aundh, the University Circle, the industrial belts of Pimpri-Chinchwad, Chakan and Talegaon as well as fast and easy connectivity to Lonavala and Mumbai via the Expressway.

The area around Punawale, the location of this project, has rapidly developed into a major educational hub, with schools, colleges, and post-graduate institutes within a 5 kilometre radius. Once of the finest hospitals in the country, the Aditya Birla Hospital is also located nearby. The sports and cricket stadiums, at Bibvewadi and Gahunje respectively, are also a stone's throw away from Puneville
