SET UP FOR THE SPOTLIGHT

Till a few years ago, a strong majority of commercial buildings were concentrated in the Southern parts of the city. Recently, however, this trend has begun to see a shift as more and more offices have now started gravitating towards the Northern suburbs of Mumbai. Owing to a plethora of location benefits, the Orion, seated on Mumbai's arterial S.V. Road, is set up for the spotlight.

ABOUT BORIVALI

Borivali is and always has been one of the most prime parcels of real estate in Mumbai. This affluent coastal suburb is located at the north-western end of the city and was chosen as the site for our commercial tower for a variety of reasons. To begin with, Borivali is one of the biggest railway stations on the Western line and boasts amazing proximity to other parts of the city, allowing for an easy commute. Additionally, with great access to malls, banks, schools, and other places of importance, Borivali is truly in a league of its own.
