A HOME
CAN BE YOUR
BEST KEPT
TIME MANAGEMENT
SECRET.

We are excited to add another iconic landmark to the Bandra East skyline. Rustomjee Cleon is a rare opportunity to say yes to a life where the end of a work day doesn't have to mean the end of day. Evenings here will always guarantee a good time and the city's finest restaurants, cafes and clubs will be a whim and a stroll away. And the only tough decision you will have to make is whether to stay in for a night of stargazing on the rooftop or step out for an evening of pub hopping with friends.

At Rustomjee Cleon, you will find that work-life balance is only a matter of choosing the right address.

A LOCATION CAN
TRANSFORM INTO A
COVETED DESTINATION
ONE LANDMARK
AT A TIME.

The transformation of Bandra East began with Rustomjee Seasons and Rustomjee Oriana and has continued with Rustomjee Erika and Rustomjee Aden. By introducing the vicinity to the Rustomjee life, these successful redevelopment projects offered spaces where business people could exchange their power suits for swimsuits, where neighbours would become family and where home was another word for a getaway from the demands of the city. In a neighbourhood that has grown to offer distractions and entertainment that make stepping out as enchanting as coming home. This is where we bring you yet another landmark addition to Bandra East's skyline and lifestyle – Rustomjee Cleon.

A CONCRETE JUNGLE CAN
INDEED BE GREEN. AN OFFICE CAN BE
AS WELCOMING AS A HOME.
AND BRICKS AND MORTAR CAN HELP
BUILD RELATIONSHIPS.

Since 1996, Rustomjee has transformed millions of square feet of the city into premium townships, luxury gated estates, corporate parks, retail spaces, standalone landmarks and affordable homes.

Built into our blueprints are ideas for a happier, healthier, more connected world. Where neighbours become friends and friends turn into family. Sculpted into every sq. ft. we build, are new age concepts, technology and eco-friendly design. Rustomjee is the name the city relies on to bring back childhoods, create big, happy, well-knit communities, turn innovation into more than just a buzzword, and make trust a part of every floor plan.
