SPECIFICATIONS

Structure	Type of Structure	Mivan	Your home is built with the help of a Mivan structure system, a technology which uses aluminium framework and reinforced concrete. This ensures high durability, minimal leakages and low maintenance cost.
Flooring	Living/Dining	Vitrified tiles	Carefully handpicked flooring tiles add aesthetic beauty to your living space. Vitrified tiles are chosen for the living and dining room as they are easy to maintain, durable and better performing compared to other flooring material.
	Other Bedrooms		
	Master Bedroom	Wooden laminate	The master bedroom is elegantly crafted with wooden laminate flooring, a relatively new invention that is popular in the world of flooring surface because of its aesthetic value, durability and ease in maintenance.
	Toilets	Anti-skid ceramic tiles	Areas prone to wet surface are paved with anti-skid ceramic tiles to prevent injuries caused by slips, trips and falls.
	Balconies		
	Utility		
	Kitchen	Ceramic tiles	Relish every minute of your time cooking for your loved ones. Environment-friendly ceramic tiles are used in the kitchen to ensure easy and quick cleaning. These tiles are anti-static in nature.
Doors	Main Door	Teak frame with hardwood flush shutter with teak veneer two side polish	The main door is made of teak, understanding that it is known to last almost a lifetime across climates. High oil and rubber content gives it weather-proof qualities. Teak requires no preservatives or paint. Above all, it is renewable and an eco-friendly resource.
	Internal Doors	Wooden door frame with flush door shutter	Every internal door is made of wood, a natural insulator of heat. Unlike metal doors, wood requires less maintenance and is rust-proof.
Windows	Aluminium	Aluminium windows with track for mesh	Aluminium windows and doors contribute to thermal and sound insulation which meets current building regulations. Unlike many other windows and doors, they will not swell, crack, split or warp over time.
Wall & Ceiling	Paint	Oil-bound distemper	The matte finish oil-based distemper paint is an environment-friendly paint which does not have any hazardous elements in its composition.
Kitchen & Utility	Kitchen Counter & Sink Provision	Granite counter with SS sink	The kitchen is adorned with a natural product to give it a timeless aura and appeal. Granite is a heat resistant material which makes an apt cook-top.
Toilet	CP Sanitary Brand/ Selection	Hindware/Jaquar or equivalent	Beautiful designs that inspire are chosen for your bathing suites which compliment your lifestyle.
Power	Power allotted to Flat	1 BHK-2.5 kW, 2 BHK-3 kW, 3 BHK-4 kW	Adequate power is supplied as per standard requirement.
Balcony Railings	Railing	MS railing	A time-tested material used for ages in construction and an easy to maintain material that is just as aesthetically appealing, all railings are made of durable and strong mild steel.
Car Parking Type	Open/Covered	Covered car park	Every apartment is allotted a covered car park positioned in the basement.
Power Backup	DG backup to Flat	1 BHK-0.75 kW 2, 2.5, 3 BHK-1 kW	Enjoy uninterrupted power supply at any point of time. Adequate power backup is supplied which is rich enough power to light up your house.
Reticulated Piped	Piped Gas	Reticulated piped gas system	A convenient and cost-effective value-adding feature for uninterrupted supply of cooking gas direct to the hot plates.
