NIKOO HOMES VI

Imagine. A sun-soaked morning. Leaves falling on your head. And an endless read in your hand. Now, out of blue comes a football at your feet and a sweet little invitation—Come play with me! What follows next is a ten minute run. An hour of laughter. And one fine sunset to remember. You see? Neighbours might move in as strangers but our garden homes make sure they turn into lifelong friends. It has been said that something as little as the flutter of a butterfly's wing can cause a typhoon around the world. And we are humble believers of that. Our homes are nestled in the heart of a garden, woven from the threads of countless small experiences, each leading to a beautiful life. Perhaps you can live your childhood dreams once again. Splash into the pools. Cycle in the rain. Know you have the choice to stay outdoors as much as the indoors. There are finely crafted rooms, hard-to-leave. And freshly manicured gardens, hard-to-resist; a lost treasure that now sits happily next to the best that modern life has to offer. You can also chase squirrels. Take kids out for frisbee runs. Or count flowers with them. Only yesterday, a sweet little boy had questions about the world going in circles. No, he didn't read that in some book. Just assumed while smiling and riding his bicycle. Then, there are friendly neighbourhood markets which help our residents beat the famous 10 minute delivery apps. On their way, they stop by to greet their friends and that often leads to a potluck plan. You should see our homes light up when they come over! Everyday you'll see families venture out, only to return once again to the comforting embrace of their homes. Such is life here—in & out equally joyful. If you're looking for gardens you can call 'Home', Nikoo VI is for you. Step in whenever you're ready.

The Garden of Life Awaits You.

The Roots

Family

Families are the heartbeats of home, where love and laughter find their throne. In our cosy haven, they write stories of togetherness, where every member's chapter is an essential piece of our shared adventure.

Community

From borrowed cups of sugar to block parties that last till dawn, we're the gardeners of friendships that bloom. In fact, our vibrant communities are the colourful threads that weave the tapestry of our wonderful neighbourhood.

Culture

Culture is the compass of our identity, always pointing us home. It's the recipes passed down through generations, the stories told by the fireplace, and the art that adorns our walls. Whether it's Monday's cycling ritual or the joy of cooking together, our blueprints provide room for culture to truly flourish.

Health

A healthy home is a sanctuary for both body and soul. It's where nutritious meals fill our plates, where laughter is the best medicine, and where the open door welcomes fresh air and sunny smiles. And should health ever waver, our trusted physician is just a stone's throw away, ready to set things right.

Learning

In the halls of our home, we're all students of life. And at Nikoo, those hallways of learning stretch far beyond the threshold. Here, curiosity thrives in every nook, and our surroundings harbour a treasury of dreams, ensuring you're always brimming with inspiration.

Trees that have strong roots are destined for the sky. It's the same for homes.
