TRANQUIL

KOKAPET, HYDERABAD

RADIATE THE PEACE WITHIN

Greetings!

Prestige Group is delighted to introduce you to our fifth residential project in Hyderabad. Prestige Tranquil, located in Kokapet – the up and coming suburb, easily accessible from the Airport and the Financial District, is an ode to the splendour and charisma of the Southern capital city.

When we started planning this spacious, self-contained, aesthetic enclave of 906 three-bed, high-rise homes, the dream was to build a thriving and sustainable residential community. A place that fosters a sense of comfort, safety and belonging. A sanctuary that nurtures the health and well-being of its residents.

Our experience of over three decades in building beautiful homes across cities like Bengaluru, Chennai, Goa, Kochi, Mangaluru, Mumbai and of course, Hyderabad, has taught us that it takes more than contemporary architecture, brilliant planning and excellent location to make a fabulous home. The X factor is the quality of life that we offer our patrons.

As India's first and only developer rated DAI by CRISIL, Prestige doesn't make promises that we can't keep. We promise the highest standards in design, material, finish and construction – delivered on schedule, with

clear and marketable titles. Prestige Tranquil promises you and your family the home you deserve.

Our sales team will be happy to help you with more details. Alternatively, you can also visit our website: www.prestigeconstructions.com.

Considering the overwhelming love that Hyderabad has showered us with in the past – with Prestige High Fields, Prestige Ivy League, Prestige Nirvana and Prestige Royal Woods – I am truly excited about this journey with Prestige Tranquil.

Stay healthy,
stay safe!
