

DLF CYBERSEZ

BUILDING 14

Connect to the future

Gurgaon Hub of Blue-Chip Companies

Gurgaon has become the centre of new age workspaces in NCR, and is today witnessing the development of large format office projects. The need of a business centre close to domestic and international airport has made Gurgaon one of the most prominent outsourcing and off-shoring hubs in South Asia. Real estate, automobiles, retail, and banking are other major industries present in Gurgaon.

A plethora of BPO, KPO, Financial institutions and Insurance companies make Gurgaon as one of the most preferred destination for the IT/ITES industry.

DLF Cyber SEZ, Gurgaon New Age Workspaces

The skyline of Gurgaon is dominated by DLF Cyber City. Spread over 150 acres, it offers global facilities and infrastructure to support ready-built IT Parks and IT SEZs.

In Cyber City, DLF presents Cyber SEZ. A futuristic IT Park with state-of-the-art infrastructure built to meet international standards. This integrated IT-SEZ complex will comprise of four buildings with 11 blocks. Designed to offer a smart and intelligent IT workplace, this architectural marvel will combine well planned modern workspaces with all futuristic facilities. Experience a dynamic synergy of lush green landscapes and water bodies that will ideally give the office blocks, a campus feel.

DLF Cyber SEZ - Building 14

Benchmarked to Perfection

The modern and well planned workspaces of Building 14 lend a distinctive appeal to this aesthetically designed architectural wonder. Spread over 2 million sq.ft. approx.; the building has four inter-connected blocks, each offering an intelligent IT/ ITES SEZ workplace for new age professionals. Benchmarked to global standards, the smartly designed workspaces will be instrumental in transforming your work life to a considerable extent.

Advantages

A Notified IT SEZ*
