

THE IMPERIAL

SOUTH MUMBAI

India's tallest residential twin towers, the Imperial is an iconic structure in the Mumbai skyline.

Project Highlights

Each premium residence boasts of exquisitely appointed living spaces that set a new benchmark of luxury living in India.

TOTAL FLOORS: 62

A rendezvous of opulence and grandeur

The Imperial Club - Managed by The Taj Group of Hotels

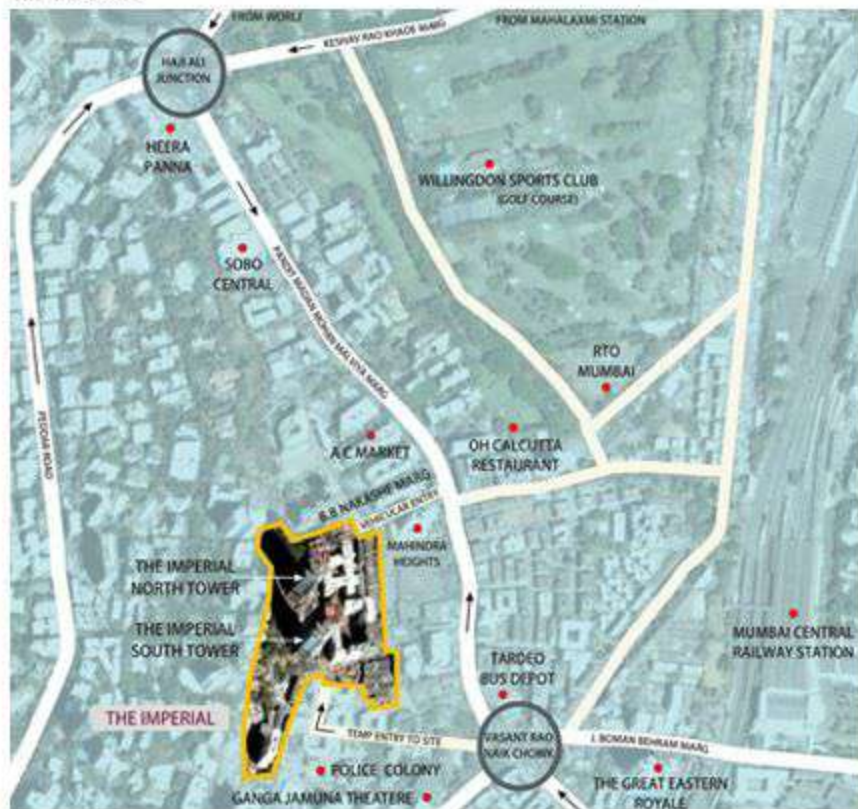

Here, you can unwind yourself and relax in the most luxurious ways imaginable. Your every whim will be addressed here with a whole new level of magnificence.

The Imperial is abuzz with pioneering features, some of which have been used for the first time in a residential development in India.

- Currently the tallest residential towers in India (827 ft above mean sea level and all of 60 floors with 228 luxury homes).
- 8 High-speed passenger elevators per tower from Schindler capable of travelling at 6 meters per second, considered the fastest in India.
- Located at the heart of plush South Mumbai, nestled between Altamount Road, Pedder Road and Breach Candy.
- Designed by Hafeez Contractor the large format apartments range from 2,550-10,000 sqft.
- Exquisitely crafted by renowned interior designers viz. Pinakin Patel, Neterwala & Aibara and Craig Nealy.

THE IMPERIAL
