A LEGACY THAT TOWERS
ABOVE THE REST

The Godrej story began in 1897, with the manufacturing of locks. Since then, we have set several benchmarks. From state-of-the-art manufacturing facility in a suburb of Mumbai, we've reached homes, offices, industries and the hearts of millions of people in India and around the world. With a proud tradition of many firsts, we find ourselves at work every day, building on the foundation of trust that was laid 124 years ago.
