The heart of commercial development

A beacon of modern India

## premier location

One of the country's fastest growing cities, Gurgaon in the National Capital Region, is embracing rapid change, spearheading progressive development and is at the very heart of commercial innovation. Offering a thriving business climate and infrastructure, Gurgaon is home to some of the world's most respected multinational and international brands.

Accessibly situated and in close commuting distance to New Delhi, the Millennium City is the natural location of choice for a signature residential community to be developed by EmaarMGF. A considered development, The Palm Springs is situated in a highly desirable and exclusive district of Gurgaon. The neighbourhood is near to a premium Golf and Country Club and 10 minutes from the city's major shopping district. Indira Gandhi International Airport is a short drive away.

Designed to provide unparalleled quality of life

## your home

The opulent villas at The Palm Springs have been designed to provide unparalleled quality of life and the most sophisticated standards of living.

Set in small clusters within wide-open landscaped gardens, each villa benefits from privacy, yet is just a short walk from the clubhouse, pool and fitness facilities. Five bedrooms and bathrooms give even the largest family space and solitude, coupled with versatile living and dining areas - ideal for entertaining or relaxing. Large terraces offer the freedom of the outdoors and are perfect for alfresco breakfasts or late afternoon sundowners. Each villa's spacious garage and driveway can comfortably fit three cars, plenty of room for when family and friends visit.

## Emaar MGF Creating a new India

Emaar MGF Land Private Limited is a joint venture between Emaar Properties PJSC Dubai, one of the world's largest and most admired real estate company and MGF Developments, India's leading real estate developer. A collaboration that has brought in the largest FDI in India's real estate space and opened up the horizons of tomorrow. Emaar MGF is engaged in pan-India projects in residential, commercial, infrastructure and hospitality sectors in integrated master plans and Special Economic Zones.

### RESIDENTIAL

Emaar MGF is looking to change the face of the residential sector by building new-age integrated townships and communities that will enhance the lives of the people. The inhabitants of these townships will also have access to world-class, professionally-managed institutional facilities such as medical care, education and recreation. Each of the communities will have strip malls giving it a vibrant zing.

### COMMERCIAL AND RETAIL

Emaar MGF will redesign the commercial and retail sector. It will create comprehensive amenities and support services within each of the developments, and this is where the company expertise will play a critical role.

floor plans

#### RESIDENTIAL IT PARKS AND SPECIAL ECONOMIC ZONES

Emaar MGF will provide global-standard IT parks across the country, which will boost industry, business and IT. With a view to provide an internationally competitive environment for exports, Emaar MGF will also set up SEZs across the country for the manufacturing of goods and rendering of services.

#### HOSPITALITY

Emaar MGF aims to develop and operate unique branded hotel projects in the luxury and business segments that are internationally recognised as the finest 'lifestyle' oriented hotels and resorts. These will provide a seamless integration of spectacular design, cutting-edge technology and world-class service standards across the country.

Emaar MGF is creating a lifestyle that is aspired by the rest of the world and enjoyed by only a few. It is bridging the gap between India's real estate development outlook and that of the world. The Palm Springs introduces Gurgaon to the global way of life.

#### DUBAI MARINA

Dubai Marina is a city within a city and marks one of the Gulf's biggest building projects. The 50 million square foot development houses luxury residential and leisure facilities covering over 500 acres of land. Upon completion, over 200 high rise towers will create a new skyline that will further define Dubai. Each of Emaar's projects feature premium marina views and amenities allowing residents to enjoy shopping, swimming pools, spa and sports facilities. 70% of the Dubai Marina is currently completed or under construction with much of the Emaar developed infrastructure in place.

The Lakes

Dubai Marina

## story of success

#### THE GREENS & THE VIEWS

These condominium communities provide superior amenities with spacious internal courtyards and an impressive man-made canal with uninterrupted access. High-rise towers form an incredible edge to the Emirates Golf Course, one of Dubai's finest golf clubs. The community is also home to the Emaar Business Park, providing premium office space for the neighbourhood.

#### THE SPRINGS

The Springs is a subdivision that has become extremely popular with young families. With 5,000 attached villas, it is one of the largest communities within Dubai and has been constructed in record time. The proximity to schools, community centers and tranquil parks make it a perfect environment for children.

#### THE LAKES

Nearing completion, The Lakes has become the envy of the rental market in Dubai. From the gatehouse, the resident relaxes with a 500 metre drive lined with elegant palm trees that draw the mind from everyday worries into the security of home. Views onto parks, lakes or the Emirates Golf Course await the resident. The centrally located 25,000 sf community centre bursts with energy as residents congregate to enjoy the recreational amenities.

#### ARABIAN RANCHES

This desert paradise is spread over 2,700 acres and houses approximately 6,000 units. The 18-hole world-class Desert Golf Course with its Spanish clubhouse and spa have redefined golf within Dubai, earning it a reputation for environmentally sensitive design that brings players to the desert landscape. An international equestrian centre and polo club provides the ultimate environment for a day out with friends and colleagues.

Emirates Hills

Burj Dubai Downtown

#### EMIRATES HILLS

Beautifully articulated and stylized Arabic villas set against the 18-hole Championship Montgomerie golf course are the trademark for the Emirates Hills community. This premium development has become the most desired address within Dubai and represents the best in planning and design. The community has been built to rival affluent and exclusive neighbourhoods worldwide.

#### THE MEADOWS

This 2,000 unit villa community was created in less than three years and has resulted in one of the most liveable subdivisions in the Emaar portfolio. Scenic waterways, tree-lined streets and convenient shopping represent some of the amenities within the development. Each neighbourhood is secure and gated ensuring homeowners' peaceful enjoyment of this unique environment.

#### BURJ DUBAI DOWNTOWN

The Burj Dubai Downtown is now the largest construction site on the planet with over 60% of this 500 acre site being built concurrently. The visionary development features: The Burj Dubai, the world's tallest tower, soaring from the ground and breaking all records; The Dubai Mall, the world's largest shopping mall, redefining the shopping experience; The Old Town, setting traditional architecture and lifestyle against the modern towers; and The Boulevard, which is set to become a landmark street that defines the district and Dubai. Once completed, the vertical and lateral neighbourhoods will be an architectural showcase and the ideal answer to modern day city living.

## creating global communities

The introduction of international projects to Emaar's portfolio has established it as a truly global real estate brand. Building upon its success in Dubai, Emaar is focused on city building and introducing new lifestyle solutions in a number of emerging markets.

### SAUDI ARABIA

The King Abdullah Economic City is being built to the north of Jeddah and strategically between the cities of Makkah and Madina. It aims to generate over 500,000 employment opportunities from its six distinct components - a modern world-class Seaport, Industrial District, Financial Island, Education Zone, Resorts and The Residential Area.

### MOROCCO

In Morocco, Emaar has played with golf to set up two residential communities built around world-class golf courses. With both featuring luxury villas, hotels, clubs and recreation, one is especially beautiful, set along the picturesque coast.

### TURKEY

The Lakeside project in Turkey is a joint venture between Emaar Properties and Atasay, Turkey's largest gold jewellery exporter. Located in the western part of Istanbul, just 20 kilometers from Ataturk International Airport, the project covers 1.7 million square metres and will include 600 luxury villas. It will complement the rich history of Turkey taking inspiration from the surrounding natural beauty of the Buyukcekmece Lake.

#### DAMASCUS

Adding to the seven historical gates of Damascus, Emaar is building the eighth. Segmented strategically into three zones, they will cover The Commercial Centre, The Waterfront and a Residential Zone. This development will feature spectacular sights and will soon be the new city centre.

#### EGYPT

Uptown Cairo is a city within a city. In the heart of magnificent Cairo - its inviting cultural quarters, its vigorous people and its 24 hour lifestyle - this villa-golfing self-contained self-sufficient development offers everything you need a short walk away from your doorstep. Distinctly cooler than, and lacking the congestion and pollution of downtown Cairo, this refreshing locale overlooks the Citadel, one of the oldest sites in Egypt.

#### SYRIA

Adding to the seven historical gates of Damascus in Syria, Emaar is building the eighth. Segmented strategically into three zones, they will cover The Commercial Centre, The Waterfront and a Residential Zone. This development will feature spectacular sights and will soon be the new city centre.

#### UNITED STATES OF AMERICA

Recently, Emaar acquired John Laing Homes, the second largest privately held homebuilder in the US, an important step in their foray into residential construction in the continent. Rated "America's Best Builder" by Builder magazine, John Laing Homes also took home the top honours in the prestigious 2006 American Business Awards (ABA) for "Best Overall Company". Based in Colorado, their markets are expected to expand across the USA.
