## ABOUT MATOSHREE GROUP

An outstanding lineage...a promising future.

Matoshree Infrastructure Pvt. Ltd. has a lineage that speaks amply of its capabilities, commitments and confidence.

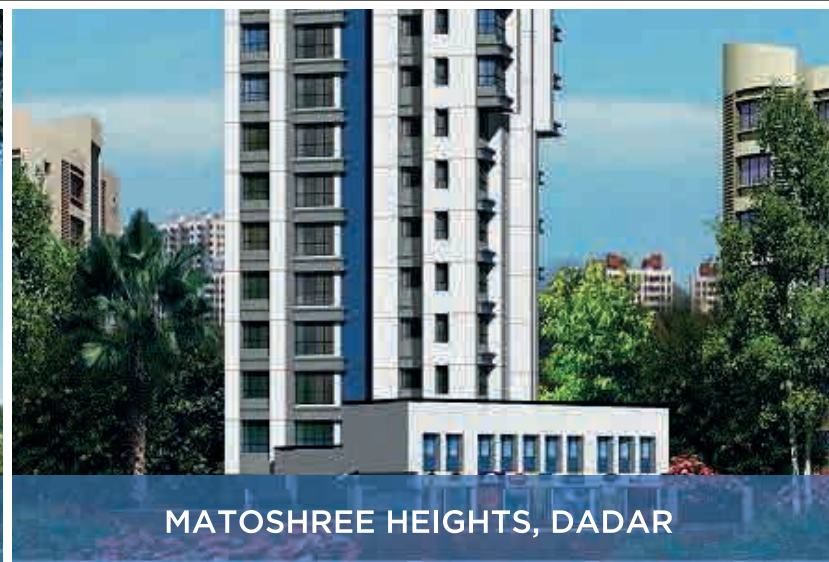

The Group commenced its operations in 1991 as civil contractors managing large turnkey projects. Over the past 25 years, the Group has developed more than 2 million sq. ft. of prime land in Mumbai, Pune and Kolhapur with equal number in the pipeline today.

The Group's track record of excellence in quality and reliable delivery reflects its solid vigour and determination, which drive its unparalleled competence in the construction segment and the Group has proven its mettle time and again. Group projects are supreme examples of its capabilities to mobilise resources and manpower that follow strict labour norms and demand the highest level of quality standards.

Matoshree, the very name, is a symbol of trust, security and comfort. Our strength, apart from building homes, townships, shopping malls etc. lies in urban infrastructure development and social projects like slum rehabilitation, educational institutions, public gardens etc.
