Artist's impressions of Klassik Landmark.

Klassik *Landmark*

For those who have fine taste for urban lifestyle, Klassik Landmark is an ideal place to reside, in terms of comfort or luxury.

What you might miss, when we probably compare it with the countryside is the ambience. It's difficult though not impossible to create such setting. And we at Klaasik don't believe in impossibilities and hence have created a perfect ambience for you to relax after a hard day's work.

Klassik Landmark brings you all the modern day luxuries in a serene and exotic ambience that will not only refresh but also re-energize you to take up more challenges, everyday.

The project houses 590 residential units in 10 Acres 37 guntas of beautifully landscaped terrain with luxurious open spaces, spanning across seven blocks – **Aster, Blue Bell, Cosmos, Daisy, Euryops, Fennel** and **Gardenia** each with 15 stories that comprises of large and premium 3 BHK apartments and 4 BHK penthouses with terrace garden.

LOCATION MAP

Connectivity at it's best.

Location, accessibility and connectivity. Things that can make life between work, school, shop and home either a veritable hell or a virtual heaven.

Today, commuting is the biggest challenge for any 'citizen'. At Klassik, we're well aware of the hassle and have located **Klassik Landmark** on Sarjapur main road from where commuting to most of the places will be a breeze.

Beautiful life, by design

Klassik *Landmark*

It all starts here. And you are the centre of it!

The most important thing about design is how it relates to people. For us design not only covers the aesthetics but all functionalities that are essential for good living.

We believe that God lies in detail. And attention to detail always results in good design. The engineering expertise, the domain knowledge and the people-centric approach all combine to create that perfect design. And perfectly designed homes mean near perfect life. Like the ones at **Klassik Landmark**.
