LESS IS MORE...

67 LIMITED EDITION APARTMENTS

Dhaval Developers, in association with Dattani Group, are pleased to present a boutique development of 67 Limited Edition luxury apartments, situated in the bustling Orlem area. Designed to perfection, the limited number of exclusive apartments provide peculiar advantages over mass-scale housing projects.

To begin with, the project offers unparalleled exclusivity because only a select few can be a part of this luxurious complex. With only a few apartments, there's greater camaraderie and bonding among residents as no face is unknown. There's scant likelihood of you and your family getting lost in the crowd. With only 67 homes, every neighbor is special!

A limited number of apartments also means a greater assurance of timely completion. The delay in deliveries of large-scale residential complexes is an all-familiar issue, because of numerous complexities involved. But with only 67 apartments, the construction and design teams are in better control of the project plan to ensure timely completion.

CONNECTIVITY RIGHT IN THE HEART OF ORLEM

Sunrise Orlem is situated at the hub of convenience in the vibrant locality of Orlem. The project is in close proximity to three major roads of Western Suburbs. With a variety of options for education, entertainment & healthcare, the location provides unrivaled self-sufficiency.
