If you read compromise as failure,
read on.

For perfectionists such as you, anything short of the best is just not good enough. Be it in what you do, the way you think or what you expect of the world. Settling for a compromise is an absolute no.

Why should it be any different when it comes to the home you choose to live in? The home of your dreams has to be that perfect blend of the best this world has to offer, right where you want it to be. No compromises. No middle path. No corners cut. But a testament to who you are.

**THE INFINITY POOL.
RIGHT WHERE YOU WANT
IT TO BE.**

The Infinity Pool on the 37th floor. Here is Bangalore's first residential complex to boast of such a feature. Complete with natural landscaping on all sides, a few refreshing laps with a view of the city's skyline is the perfect way to unwind in your own signature style.

**THE SKY LOUNGE.
RIGHT WHERE YOU WANT
IT TO BE.**

When the celebrations must rise above everything else, the sky lounge is the best place to be in. Decked with a large bar area, comfortable seating and a lovely view of the city's skyline – it's the place of choice for those at the top. Lounge with the people who matter the most, or enjoy the company of the cool breeze and the stars for an evening of soul searching. Also, selective entry for visitors ensures that your private party is never intruded upon.

THE SHOPPING MALL. RIGHT WHERE YOU WANT IT TO BE.

Why have a home far from everything you may need? Presenting one of the country's finest retail spaces within the boundaries of your home. Promising an international shopping experience with global brands across categories, here's your chance to indulge in some retail therapy at your favourite shopping destination. Be it your favourite movie or the cuisine that fits your palate, find them all under one roof. The one adjacent to your home.

That home of your dreams.
Right where you want it to be.

One of the oldest residential areas of Bangalore, Rajajinagar retains the old charm of the Garden City. Envied for its wide tree-lined roads, independent houses and quiet neighborhoods, Rajajinagar has successfully battled the ill-effects of the growing population in the city. Private and serene, yet in the heart of the city – Rajajinagar offers the best of both worlds. Living here has its own advantages - close proximity to the Central Business District, MG Road, Malleshwaram and other places of interest. Apart from being a stone's throw away from the Bangalore City railway station, the Majestic bus terminus, the Race Course and the upcoming City Metro Station, easy connectivity to the Bangalore International Airport makes it one of the most convenient locations to live in.

A waterfall feature is visible in the middle ground. The terrace has a glass railing overlooking a city skyline at night. The scene is illuminated with warm and cool lights, creating a romantic atmosphere.

WE BUILD QUALITY IN EVERY DETAIL

Over the years, we, at Sobha Developers Ltd., have become one of the most preferred real estate brands in Bangalore. Today, we build homes that cater to discerning homebuyers all across the city. A city that is truly the Silicon Valley of India and one that has been recognised as the “Best Indian city to live in” on all parameters.

Over the past 17 years, our passion for perfection has led our drive to the top, and it gives us immense pride to state that we have successfully completed over 83 real estate projects and 224 contractual projects and delivered more than 54.45 million square feet. This, in itself, bears testimony to the brand equity of the company - an INR 20 billion real estate player listed on the BSE & NSE. In the fiscal year 2011-12 alone, we registered fresh sales valuing at INR 17.01 billion in the residential segment alone which we plan to grow even further by 18% to go beyond INR 20 billion.

Since its inception in 1995, Sobha Developers Ltd. has blended a strong customer centric approach with robust engineering, a high degree of business ethics, timeless values and transparency in every sphere of business. All of these contribute to make us one of the most respected real estate brands in India. And, an organisation where quality meets excellence, technology meets aesthetics, and passion meets perfection.

It is often believed that quantity and quality seldom coexist for long. But, we at Sobha Developers Ltd., have made this possible. Headquartered in Bangalore, we have completed 55 residential projects across the city, which reflect our undeterred passion for excellence, perfection and detailing. These include hallmark properties like the highly successful Sobha Elite, Malachite, Emerald, Amber, Petunia, Azalea and

more. Our relentless pursuit of quality is a constant in every property we create. Little wonder then that they garner instant admiration.

It is this conviction that has earned us the trust of people across the country. True to that, Sobha has won ‘CNBC Most Reliable Builder Award (voted by consumers)’ at the CNBC Awaaz Real Estate Awards on 22nd December 2012. Sobha also received the award for ‘The Best Residential Project in the mid segment (Rs 35 lac – Rs 1 crore) with 70% or more completion’ for Sobha Elite at the same event. This is testimony to the faith people have in our quality and service.

We have also expanded our footprint in 24 cities and 13 states across the country with properties in major cities like Bangalore, Gurgaon, Chennai, Pune, Coimbatore, Thrissur and Mysore. And as on December 31, 2012, we have 43 ongoing residential projects aggregating to 24.18 million sq. ft. of developable area and 17.40 million sq. ft. of super built-up area, and 39 ongoing contractual projects aggregating to 10.06 million sq. ft. under various stages of construction.

Apart from being one of the top real estate players in the country, we are also the only backward integrated entity in the entire real estate sector. The company is widely and indisputably recognised for redefining the very perception of quality and perfection in the construction space. This is endorsed by the accolades we have consistently earned over the years for building close to 200 landmark premises for some of the biggest corporate houses of India. Once you buy a Sobha home, its unmatched finesse and detailing will surely make you experience the true joys of owning a quality home.
