

About **Annciya**

Annciya Projects LLP is a vision driven organization offering value at the core of its business. Annciya had a humble beginning started with plantations to real estate development under the visionary leadership of **Mr. Jose Augustine**, with the mission to redefine and simplify the experience of buying dream homes. The organization forayed into the real estate business in the year 2006, with a couple of projects which was an instant hit, highly motivated with the response and the demand for genuine projects. The company has adapted to modern technologies and systematic growth. The Company has completed number of layouts and customised villa projects in and around Bangalore.

About

Achalum

Annciya is coming up with a brand new project in association with **Sri.Achaldas T Revankar and Sri.Chaitanya Revankar**. The layout named as **"Annciya Achalum"** at Anekal. Anekal is one of the growing towns around Bangalore urban district, situated close to major economic sites like Electronic City, Jigani, and Hosur.

Major MNC's such as Infosys, Biocon, Wipro etc are all part of Anekal. Many educational institutions such as Alliance University, Spurthy College of Nursing, Alliance College of law, Edify School, Deeksha Educational Trust, New Baldwin International School, etc and also hospitals namely Aditi Multi Speciality Hospital, Athreya Hospitals etc are located in close vicinity. With the increase in demand for Residential Layouts in Chandapura-Anekal area, our custom built villa project, "Annciya Achalum" is one of the most elite options available for those who are looking for a splendour Individualistic residential villa.
