“MAKING LIVES
A MASTERPIECE”

About 44 years ago, we began our journey of a promising success in building houses and helping build homes. We believe we experience satisfaction in the truest sense only when our customers are happy.

Nurturing a legacy of trust for 3 generations now, our promise has met Zero Missed Deadlines. Punctuality is not a lost virtue. We stand testimony to that. Steering clear of debts on our credit, we have built a Zero-Debt Company, Ahad has delivered a whopping 226 projects to about 6,480 customers. Homes, raise and age families through different time spans. We involve eminent architects and the best materials to create spaces that are conducive to today's changing lifestyles. Attention to detail is paramount. Smart use of spaces, comfort, aesthetically pleasing designs and quality takes precedence above all.

Opus is the art You dreamt of making
the Masterpiece you longed to paint
