

ISHERE.

Time vanishes. Space goes extinct.
The ordinary ends. So does the extraordinary.
Change. Transformation. Revolution.
All become mere words.
In front of a glory and a magnificence that lies far, far beyond them.

Will you leap?

Cover Story

Avant-garde Residences

Architecture does exactly what fashion does to you. It allows you to express emotions, culture, trends and styles of a particular time and era. And when you know this, you know what to expect from the most unconventional fashion inspired homes. Make way for meandering lines, sweeping curves, organic shapes and rebellious colour palettes. For Envogue 1 is all about the Free Flowing Form. Be it randomly blending dynamic and placid spaces

or mixing up some patterns and experimenting with colours, this is a place where inconsistency creates an experience that is out of the ordinary. The sheer spontaneity and style that free flowing form architecture brings, is enough to break the norms of how people have perceived residences for decades. Just a look at it and you will know that this is pure raw architectural beauty that needs no spineless facade.

AVANT-GARDE RESIDENCES

Raw bare-shell homes for you to have a free will when you define your life-style statement or roughly sketched 4 BHKs for all of you who need a little nudge to express; Envogue 1 has it both. Add to it some audaciously designed common spaces to mesmerise and inspire the punk side of you.
