AMANTA

THE CROWN JEWEL OF THE NEW BKC

THE NEW BKC

Be Inspired – Imagine

Every success story starts with a dream. Imagination is the soil that bring dreams to life.

Imagine a place where the energy is thrilling, the people are intriguing and the excitement is palpable.

Imagine a feeling of reinventing yourself in a place of constant innovation. Imagine your life at a place full of new promise and opportunity.

Imagine your home at **THE NEW BKC (Bhiwandi Kalyan Corridor)**.

NEW BKC – The Shape of things to come

As cities develop so does its growth. Mumbai, a city always on the rise has seen rapid urbanization and modernization of its business and residential hubs in the past few years. As spaces saturate serving the ever-growing demands of creating state of the art business districts on lines of Nariman Point and BKC, the city infrastructure sees unprecedented growth at various locations around its periphery. The Bhiwandi-Kalyan Corridor being one such hotbed of future development.

In the last few years, the Bhiwandi-Kalyan Corridor has seen a host of developments to support this future vision of being the next business district. Plans that are transformational are sure to take this area to the next level of business and infrastructural developments.

The Growth Story – Hotbed of Infrastructural Growth and Development

- 150 cr. allocated by the State Government for the development of two expansive business districts like Bandra Kurla Complex in an area of 800 hectares near Kalyan & Bhiwandi.
- A 72 acre land at Kalyan-Karigaon is proposed to be a plush CBD on the lines of Bandra-Kurla Complex.
- With an already existing vibrant logistics hub for major e-commerce players and retail companies, “Make in Bhiwandi” initiative is envisioned to generate employment and give impetus to trade & economic growth in the region.
- Clearance of the Navi Mumbai International Airport has given boost to a slew of infrastructure projects.
- MMRDA has planned a 126 km long 12-lane Virar-Alibaug corridor which will connect NH-8, Bhiwandi bypass, NH-3, NH-48, Mumbai-Pune Expressway, NH-66.
- MMRDA approved Thane–Bhiwandi–Kalyan Metro (line 5) has a proposed route of 16 stations from Kapurbavdi (Thane) to Kalyan, connecting this region with the rest of Mumbai metro network.

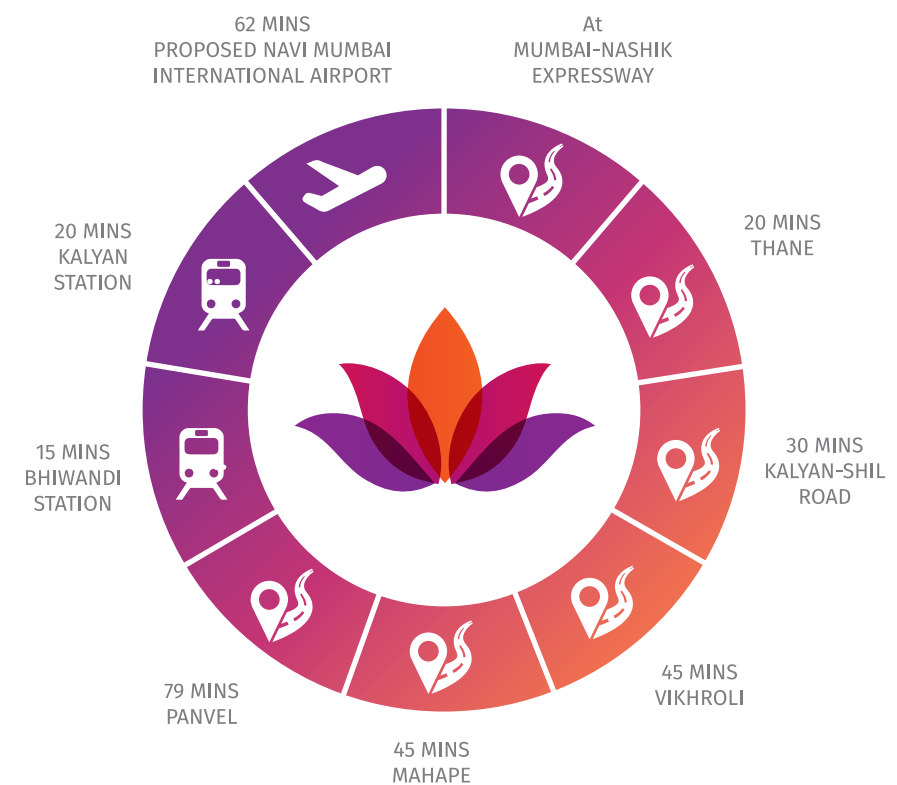

Welcome to the New BKC. A vibrant location with a golden future.

TATA HOUSING AMANTRA - Ahead of the Curve

Hope lies in dreams, in imagination, in the courage of those who dare to make dreams into reality. Presenting Amantra, a place where your dreams can manifest into reality.

Strategically located, Amantra rises elegantly from the curve of the Bhiwandi Kalyan Corridor as a beacon of style and higher living. This upcoming integrated township spread over 20 acres is an inspired blend of urban tranquility and modern sophistication. Amantra is all set to offer you the finest living experiences away from all the hustle-bustle of the city yet close to places of day to day conveniences and action.

Designed by the internationally renowned architecture firm HOK, Amantra is a true masterpiece with keen detail to design and space planning and can be truly called **The Crown Jewel of the New BKC.**

Now. Imagine your dream home at the heart of it all.

Elegant Silhouette – Thoughtful Architecture

With an ensemble of mid and high-rise towers, the tallest soaring 34 storeys, this remarkable residential jewel offers beautifully designed and spacious 2 & 3 bed residences. All elements with elegant landscaping, amenities, specifications and ample podium parking distributed over three levels together make a perfect abode. The residences integrate well with the surroundings with select homes opening to expansive views of the Ulhas River, sunrise, pastures, the skyline of Thane and the neighbouring Kalyan and Bhiwandi suburbs.

- Wind-funneling at Amantra keeps each home as well as shared space actively ventilated and cool.
- The East-West orientation of the staggered towers allow for an interesting play of light and shade.
- A dramatic mood elevating, color-coded and unique looking floral paradise beckons you to a visual & olfactory treat.
- Close views of the courtyards scattered throughout this collection of tall towers break the long open vistas on the East.

Disclaimer: Artistic impression. Amenities to be used by all phases.

360 Degree Living

Living at Amantra extends beyond individual residences. It offers you stimulating 360 degree living experiences and metaphors to embark on your own journey of higher living. A perfect place where you and your family can revel in the regalia.

- **A Jog in the Sky** - A truly special feature is the Jogging track on the 15th Floor which is interconnected through the towers, acting as the communal heart. Soak up and experience being one with nature. So even if a jog in the pollution free environment doesn't leave you breathless, the amazing views surely will.
- **Club Amantra** - An a-la-mode clubhouse of 25,000 sq.ft.* to give comfort for rejuvenation and connect with the neighborhood.
 - **To the Infinity and Beyond** - Gaze into the boundless skies as you luxuriate in the majestic infinity pool and enjoy nature's abundance around you.
 - **State of Art Gymnasium** - For a great workout experience.
 - **A Multipurpose Hall** - To greet your company, host a party for a select few or come together with neighbours to celebrate occasions.
 - **Games Room** - Pool, Table Tennis, Foosball, Carrom, Chess
 - **Children's Play Areas**
 - **Yoga Room**
 - **Aerobics Room**
 - **Card Room & Reading Room**
 - **Steam and Sauna rooms**
 - **Snacks Counter**
- **Play Court** - Half Basketball Court, Tennis Court

Exceptional Residences, Dramatic Views

At the heart of each Amantra home is a design for the discerning urbanite who seeks spaces that reflect their individuality and panache that are elite and carry the grandeur they desire. With immaculate attention to space planning and details, every feature within the four walls resonate this thought.

- With eco-sustainable living in mind, these homes are equipped with sunshade fins and chhajjas that keep the home cooler.
- Towers are designed so that the homes remain airy, cool and comfortable, naturally resulting in energy efficient residences.
- Use of low VOC materials offer better indoor environment quality.

A home is not just about four walls, but an extension of your personality, dreams, style and taste.
